RAKENNUSTIETO

The Building Information Foundation RTS

Akzo Nobel Coatings Oy

The classification working group set up by the Building Information Foundation RTS has approved the following product:

Casco Multifix 4141

as belonging to emission class M1 for building materials.

The classification is valid until 6.9.2015.

Akzo Nobel Coatings Oy has the right to equip its classified products with the classification mark and to use this classification mark when marketing its products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
